## PREVIOUS EMPLOYMENT

---

### **Oregon City Signs** Graphic Designer: 2023 - 2024

- Designed projects, Project Management, Production Management, Production, and Order Taking.
- When I first arrived the joke motto from production was “We do it nice, because we do it twice”. I changed this approach to project handling and minimized production waste significantly.
- I also elevated the design value for the company projects and ran all signage making machines.

### **Language Link** Graphic Designer, Audio/Video, eLearning: 2019 - 2022

- Working across Design, AV & eLearning to update client materials with global translations, while upholding the formatting needs of the projects and language font requirements.
- Create eLearning training modules for new hires company wide.

### **AAA** Graphic Designer: 2019

- Work with the Marketing team and collaborate with other departments to create signage, presentations, web graphics and other marketing materials.

### **BedMart** Graphic Designer: 2012 - 2018

- Design logos, create Brand Guidelines and uphold brand standards, TV commercials, interior and exterior signage, trade show displays, web design, newspaper ads, product packaging, social media posts and videos.

### **Elite Signs** Graphic Designer: 2007 - 2012

- Design projects, uphold client logo and branding standards.
- Develop marketing tools such as website, work orders, and brochures.
- Take in orders, develop projects, and provide estimates.
- Assist with production of signage.

### **Kinkos** Senior Project Manager: 1998 - 2007

- Project analysis, preparation for in-house production and subcontract vendors.
- Develop shift, train team members, give meeting presentations.

### **Freelance** 2003 - Present

- Worked on many small independent design, illustration, video, & audio projects.
